REGISTRAR

## SYSTEM OF EVALUATION AND AWARD OF DEGREE (BE / B.PHARM)

On the basis of his/her performance in examinations, assignments, practical exam (if any) student is awarded a grade. These grades are described by the letters AA, AB, BB etc. and have a numerical equivalent called the grade point as given below:

GRADE	AA	AB	ВВ	BC	CC	CD	DD	FF
POINTS	10	09	08	07	06	05	04	00

· The medium of Instruction is English.-

- The grade FF is taken into consideration while calculating SPI & CPI, however, these will be replaced only after the clearance of the subject with the passing grade.
- The performance of the student in a semester is indicated by a number called the Semester Performance Index (SPI).
   The SPI is the weighted average of the grade points obtained in all the subjects taken by the student during the semester.

Example: Suppose in a given semester a student has taken subjects having credits C1, C2, C3, C4, C5..... And the numerical equivalent of grades obtained in those subjects are G1,G2,G3,G4,G5..... respectively.

Then his/ her SPI will be calculated (after re-examination, if any) up to two decimal places on the basis of the final grades.

An up-to-date assessment from the time the student entered the course is obtained by calculating Cumulative Performance index (CPI). The CPI is the weighted average of the grade points obtained in all the subjects taken by the student since he/she entered the course. It is calculated in the same manner as the SPI. The CGPA is the weighted average of the grade points obtained in all the subjects in the last four semester of the course.

 Backlog indicates failure in respective subjects. For continuation of study maximum 4 backlogs are permitted, excluding backlog in immediate previous semester.

## 4. Abbreviations:

\*E: External Exam \*M: test/Quizzes/mid terms and /or assignments etc. conducted by college.

\*I: Internal \*V: Viva/Practical #: Absent Y: Yes

RG\_NO: Regular exam held in Year CR: Credit Earn for subject RM\_NO: Remedial exam held in Year GR: Grade based on performance

TH: Theory hours per week

PT: Practical hours per week and/or Tutorial hours per week.

EXAM: Examinations held by university

WI\_NO: Winter examinations held in year (Odd semester Regular/Even semester Remedial) SU\_NO: Summer examination held in year (Even semester Regular/Odd semester Remedial)

ADMISSION: Regular: 12th science passed entry at 1st year

**D2D**: Diploma holder of relevant branch, lateral entry at 2<sup>nd</sup> year (3<sup>rd</sup> semester of degree course)

5. An equation to find equivalency between CPI/CGPA may be obtained as follow:

Percentage Marks =  $(CPI/CGPA - 0.5) \times 10$ .

CPI/CGPA Equivalent Class shall be as follow:

CPI/CGPA	Below 5.5	5.5 & above	6.5 & above	7.1 & above
CLASS	Pass class	Second class	First class	First class with distinction

- For all courses, where the duration of the course is more than 2 years, the degree shall be awarded to the students
  on the basis of CGPA (Cumulative Grade Point Average) of the last four semester's performance in the exams.
  - In case of the courses where duration is of two years, the degree shall be conferred to students based upon CPI (Cumulative Performance Index) considering all the four semesters performance.
- 7. For B.pharm semester 7 and 8, 1.5 Hours of practical teaching is equivalent to 1 credit.
